Job Descriptions for Pastor (Church Planting)

Our pastors are required to proclaim the gospel, to preach in worship, to teach the Bible and to foster the spiritual life of congregation through fellowships and pastoral care. They must serve in teamwork and make every effort to keep the unity of the church.

The job descriptions for Pastor (Church Planting) are as follows:

1. Church Planting

- (i) To provide long-term plan and implement various programmes so as to evangelise to people of all nations, and in particular (but not exclusively) those who speak Mandarin and/or Cantonese living in the area of the church planting work and foster the spiritual life of the congregation;
- (ii) To set annual targets for the church planting work and to evaluate the progress of the work (e.g. number of conversions, number of participants in training events, number of participants in outreach / recreational events etc.);
- (iii) To provide personal support to the individual in the congregation;
- (iv) To advise and equip leaders appointed by the church;
- (v) To educate and prepare future leaders;
- (vi) To liaise with the local church which provides venue for the church planting work;
- (vii) To chair and conduct the committee meeting of church planting work on a regular basis.

2. Administrative and Other Pastoral Work

- (i) To preach in the services of the church in different locations;
- (ii) To support the pastoral work of the whole church;
- (iii) To submit written time-sheet on the work being done once a week;
- (iv) To attend church management committee meeting on a regular basis;
- (v) To sit in CACU's management committee meeting to report church planting progress;
- (vi) To meet supervisor and provide verbal reporting on a regular basis;
- (vii) To execute the duties assigned by the supervisor or his/her deputy.
